

Margaret (Margie) Lund

1129 Farm Ln Rm 347
East Lansing, MI 48824
(Current address)

(513) 967- 0516 (cell)
lundmar6@msu.edu

616 Lyngate Ct.
Lexington, SC 29072
(Permanent address)

Education

Clemson University, Clemson, South Carolina

Bachelor of Science in Environmental and Natural Resources

Emphasis: Conservation Biology

May 2015

GPA: 3.74/4.00, Cum Laude

Study Abroad Experience

Lesley University, Sólheimar, Iceland

Fall 2012

Study Abroad with the Center of Ecological Living and Learning (CELL)

Program focus: Sustainable Living and Learning

- Lived and worked with international community members and people with special needs
- Facilitated multiple course meetings and discussions, and presented investigative reports
- Strengthened co-facilitation and interpersonal skills
- Completed 5 courses and a semester project helping increase recycling efforts in the village

Research Experience

Audubon Society – Clemson, SC; Dr. John Morse

April 2015- May 2015

Laboratory Assistant

- Examined lake samples for aquatic invertebrates
- Identified and labeled aquatic invertebrate samples
- Input data into excel spreadsheets
- Conducted statistical analysis of data collected

Clemson University Department of Horticulture – Clemson, SC; Dr. Ksenija Gasic

May 2014- December 2014

Laboratory Technician Assistant

- Performed duties in multiples settings including lab and farm
- Conducted many different types of analysis on peaches to collect nutritional information
- Managed and collect data for an experiment on pathogens in peach varieties
- Executed project in both solo and team settings

Michigan State University Department of Entomology – Fennville, MI; Dr. Rufus Isaacs

June 2013- August 2013

Laboratory Technician Assistant

May 2012- August 2012

- Researched pesticide use on invasive crop pests in both lab and field conditions
- Designed and managed a project studying pesticide use and rainfall effects on invasive insects
- Managed and maintained a *Drosophila* fly colony
- Contributed research and writing to an in the works publication

Related Experience

Cardno JFNew – Grand Haven, MI

May 2013

Student Shadow

- Shadowed employees for one week both in the field and office setting
- Attended and participated in meetings dealing with wetland restoration throughout Michigan
- Worked in the field at different sites monitoring and designing wetland restoration projects

CityRoots Farm – Columbia, SC
Farmhand Intern

May 2011- August 2011

- Harvested field crops and worked the All Local Farmers' Market
- Organized a weekly Community Supported Agriculture (CSA) distribution
- Gained management skills, social skills, and basic farming skills

Other Work Experience

Clemson University Library Depot – Clemson, SC
Library Courier

March 2014- May 2014

- Worked with classified information and the transfer of information from campus to the Library Depot
- Sorted and scanned books to be shelved for storage to ensure organization
- Lifted and carried heavy boxes of books and transferred off campus

Kletz Snack and Grill – Holland, MI
Foodservice Employee

January 2013- May 2013

January 2012- May 2012

- Rotated through various jobs including preparing food, running a cash register, cleaning, and stocking
- Worked in different conditions including team style and solitary work conditions
- Gained skills in food service, customer interaction, and multitasking

Biology of Plants and Lab	Fall 2014
Invasive Plants in Forest Ecosystems	Fall 2014
GIS for Landscape Planning	Fall 2014
Ecology	Summer 2014
Plant Physiology and Lab	Spring 2014
Conservation Biology	Spring 2014
Soils	Fall 2013
Field Botany	Fall 2013
Laboratory Methods in Environmental Science	Spring 2013
Global Warming, Changing Course	Fall 2012
Statistical Methods/ Applied Statistical Models	Spring 2012
Earth Environmental Systems II	Spring 2012
Earth Environmental Systems I	Fall 2011

Poster Presentations

A Comparison of Potential Mixes in Two Southeastern Lakes: Lake Jocassee, SC and Carters Lake GA, by: Carolyn F. Lanza, Margaret E. Lund, Jenna E. Pruett, Michelle M. Voytko, John Hains

- Association of Southeastern Biologists, Chattanooga, TN, April 2015
- Focus on Creative Inquiry Poster Forum, Clemson University, April 6, 2015

Increasing our scientific knowledge of invasive plant species of the Southeastern U.S. and promoting public awareness, by Carissa Adams, Margie Lund, Hannah Spencer, Tim Brady, Tory Garland, Henry Hutto, Courtlenn Myers, Matthew Raackelboom, Carlee Steppe, Danny Thomas, Lauren Pile, and G. Geoff Wang

- Focus on Creative Inquiry Poster Forum, Clemson University, April 6, 2015

Publications

Lund, Margaret, Diego Soriano, Lauren S. Pile, Sudie Daves Thomas, and G. Geoff Wang. 2015. Exotic Invasive Plant Species of South Carolina. Clemson, SC. Pgs. 76.

Awards, Honors, and Memberships

Entomological Society of America member	2015
President's List	Spring 2015
Dean's List	Fall 2014, Spring 2014, Fall 2013, Spring 2013, Fall 2012, Fall 2011, Fall 2010
Walter P. Rawl and Sons Scholarship	Fall 2014

Technical Skills

Experience with the following:

SPSS, ArcGIS, InDesign, Excel spreadsheets

Test Scores

GRE: Verbal – 155, 67%; Quantitative – 158, 71%; Analytical Writing – 4.5, 80%
